- Identify different types of rocks.
- Learn how to identify natural or man-made rocks.
- Look at rocks and soils around us.
- Understand and explain the rock cycle.
- Learn how fossils are formed.
- To recognise the historical importance of Mary Anning.
- Learn how soil is formed.

Maths

Number and Place Value

- Represent numbers to 100
- Partition numbers to 100
- Number line to 100
- Hundreds
- Represent numbers to 1,000 (on place value grid and number lines)
- Partition numbers to 1000
- Flexible partitioning of numbers to 1000
- 100s, 10s and 1s
- Find 1, 10 and 100 more or less
- Number line to 1000
- Estimate on a number line to 1000
- Compare numbers to 1000
- Order numbers to 1000
- Count in 50s

Addition and Subtraction

- Apply number bonds within 10
- Add and subtract 1s
- Add and subtract 10's
- Add and subtract 100's
- Spot the pattern
- Add 1's across a 10
- Add 10s across 100
- Subtract 1's across a 10
- Subtract 10's across a 100
- Make connections
- Add two numbers (no exchange)
- Subtract two numbers (no exchange)
- Add two numbers (across a 10)
- Add two numbers (across a 100)
- Subtract two numbers (across a 10)
- Subtract two numbers (across a 100)
- Add 2- digit and 3- digit numbers
- Subtract a 2- digit number from a 3- digit number
- Complements to 100
- Estimate answers
- Inverse operations
- Make decisions

Multiplication and Division

- Multiplication-equal groups
- Use arrays
- Multiples of 2,5,10
- Making equal groups-Sharing and grouping
- 3 times table- Multiply and divide by 3
- 4 times table- Multiply and divide by 4
- 8 times table- Multiply and divide by 8

Physical Education

In PE we will be learning Dance and Gymnastics:

- Develop flexibility, strength, technique, control and balance through gymnastics.
- Performance dances using a range of movement patterns.
- - Compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Music

Harvest and music performances (Praise through Song) practice, rehearse and present performances with awareness of audience.

Glockenspiel (Stage 1)

- Explore and develop playing skills using notes on a tuned instrument.
- Copy back, play and invent rhythmic and melodic patterns.
- Learn to play and read the notes C, D, E and F.
- Play instrumental parts accurately and on time as part of a performance.
- Compose a simple melody using simple rhythms.
- Learn to play some simple tunes on the glockenspiel.

Spanish

Greetings, ourselves and our classroom.

- Revise greetings and respond to questions about themselves (name, age, how they are feeling).
- Learn to say names of classroom objects in Spanish.
- Speak in sentences to describe simple pictures.
- Read simple words and phrases and match them to pictures.
- Use indefinite articles with nouns.
- Use songs to practice new vocabulary.

Computing

Computing systems and network

- How does a digital device work?
- What parts make up a digital device?
- How do digital devices help us?
- How am I connected?
- How are computers connected?
- What does our school network look like?

Creating media- animation

- Can a picture move?
- Frame by frame
- What is the story?
- Picture perfect
- Evaluate and make it great
- Lights camera action

R.E.

What do Christians believe about God and incarnation?

- What is the Bible?
- What does the Bible tell us about God?
- Who is Jesus?
- What is the Trinity? The Son, the Father, the Holy Ghost
- The Shepherd and the Sheep bible story.

PSHE

- Being me in my world
- E-safety
- Recognise our worth and positive things about us. Value ourselves and others, recognising different feelings Face new challenges and act responsibly, rules, rights and responsibilities
- Celebrating difference Understand and accept differences, appreciate my family, keep calm, support someone who is being bullied.

Art

Antoni Gaudi

- Find out about an artist (Gaudi)
- Use Gaudi's mosaic style
- Understand Gaudi's architectural designs
- Design our own Gaudi-inspired architecture
- Gaudi and religion (Catholicism)
- Creating collages
- Sketch to make quick records

Design Technology

- Textiles-2-D model to 3-D product (Puppets)
- Research and analyse different types of puppets
- Join textiles in different ways.
- Choose textiles considering appearance and functionality.
- Begin to devise a template
- Design, create and evaluate a puppet.

Trips and Visits

- Fossil hunting at Charmouth beach.

The purpose of this visit is for the children to learn how fossils are formed and have the opportunity to go fossil hunting for ammonites and belemnites.

- We will be visiting the local Church as part of our RE Christianity topic.
